SAFE HAVEN

& HERITAGE HEALING

We are here, welcoming housing inquiries and connecting individuals and families with potential accommodations through our property and community partners.

WHO WE CONNECT WITH

We welcome conversations and referrals from:

- ☐ Individuals and families
- ☐ Shelter case managers
- ☐ Veterans / VA partners
- ☐ Former foster youth
- ☐ Workforce programs
- ☐ Community organizations

HOW PLACEMENT COORDINATION WORKS

Share your housing needs → Complete a private intake → We review available property options → A property confirms eligibility, availability, and terms → We coordinate approved next steps.

We welcome people rebuilding stability, including those in recovery. Availability, property terms, accessibility, care arrangements, and eligibility are evaluated individually. A referral is not a guaranteed reservation.
